November 2021

Co-funded by the  
Erasmus+ Programme  
of the European Union

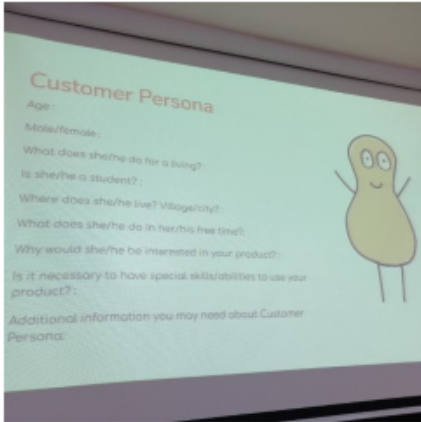

The first short-term exchange of groups of pupils took place in Poland from 14 November till 20 November 2021. The host school was Zespół Szkolno-Przedszkolny w Szemudzie, **Szemud**. Our school was represented by three pupils: Ema Kalaica, Tina Rosandić and Filip Stjepanović. They were accompanied by three teachers. We flew to Poland.

**Wejherowo** is a town founded in the 17th century by Jakub Wejher. We visited interesting sights and learned a lot about Kashubian history, culture and language.

**Kashubian Philharmonic** is a cultural centre where you can learn how to make films, paint, take pottery course, learn to play an instrument, dance and many other things.

We visited **Gdańsk**, the capital and largest city of the Pomeranian Voivodeship.

The **European Solidarity Centre** is a museum and library, devoted to the history of Solidarity, the Polish trade union and civil resistance movement, and other opposition movements of Communist Eastern Europe.

**Szymbark** is a village which has an open-air museum featuring traditional Kashubian wooden houses, an upside-down house, and the longest wooden plank in the world (38.83 meters long).

We said goodbye at the airport and wished a safe journey home.

We enjoyed the view and have already started planning future project activities and meetings.

**See you in spring 2022!**
